Dear Beaus:

Congratulations on your selection to participate in the Beta Kappa Boulé Beautillion. The Beautillion is our signature social action program for the development and exposure of young men who show leadership potential. As a Beta Kappa Boulé "Beau" you will have exposure to members of the Fraternity who you will hear referred to as "Archon." Although many of our members are noted physicians, dentist, attorneys, judges and other noted professions, they are all referred to as "Archon."

Your application and acceptance into the program indicate that you are a high achiever and purpose driven. The Social Action Committee has prepared a course syllabus that is designed to give you in depth knowledge and even skills that will stay with you for a lifetime. I encourage you to stay engaged and ask questions.

You are our future leaders. There is not better way for us to have highly effective leaders than to grow our own. We believe in you. I look forward to your participation in the Beautillion.

Sincerely,

Sire Archon Tom L. Larkin
